Management

management

1) Which of the flowing reflects the neture of constitution hatter	Due on 2020-10-21, 23:59
Which of the flowing reflects the nature of organisation better?	
(a) Group of people working together in a system towards achieving a goal. (b) Great leader builds great organisations	
(c) Both (a) and (b) (d) None of the above	
No, the answer is incorrect. Score: 0 Accepted Answers: (a) Group of people working together in a system towards achieving a goal.	
Which one does clearly explain the primary purpose of organization and its existence?	
(a) Budget (b) Strategic plan	
(c) Mission statement (d) Operational plan	
No, the answer is incorrect. Score: 0 Accepted Answers:	
(c) Mission statement It is seen that there are different types of organisation. Functional organisation, line organisation, business organisation.	nisation, etc. Partnership organisation is
so, another type. Partnership organisation is - (a) Owned and operated by two or more individuals	
(b) Owned by two or more individuals (c) Operated by two or more individuals	
On the above No, the answer is incorrect.	
Score: 0 Accepted Answers: (a) Owned and operated by two or more individuals	
is the function of management which ensures different departments and group work in sync, therefore in the property of the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, therefore in the function of management which ensures different departments and group work in sync, the function of the functi	ore, there is unity of actions among the
(a) Organising (b) Staffing	
(c) Planning (d) Coordination	
No, the answer is incorrect. Score: 0 Accepted Answers:	
(d) Coordination	
The organisation with a strategy seeks to target specific niches can be called as - (a) Focused strategy (b) Occastional states as:	
(b) Operational strategy (c) Organisational architecture	
O (d) None of these No, the answer is incorrect. Score: 0	
Accepted Answers: (a) Focused strategy	
6) Organisations have different motive and direction of operation. It may be profit making, man making, resource me society. A sense of obligation on the part of managers to build certain social criteria into their decision making is	nobilizing and may be service providing for
(a) Organisational responsibility (b) Social responsibility	
(c) Corporate responsibility (d) Institutional responsibility	
No, the answer is incorrect. Score: 0 Accepted Answers:	
 (b) Social responsibility Organisational architecture helps to sustainability of the concerned organisation. It is well tied up with strong address. 	ministrative system and strategic action.
ere organisational structure includes- (a) Structure	
(b) People (c) Place	
O(d) Productivity No, the answer is incorrect. Score: 0	
Accepted Answers: (c) Place	
8) Which one of the following factors does not influence the differentiation strategy? (a) Distinctive	
(a) Distinctive (b) Emotional (c) Non profitable	
(d) Affordable No, the answer is incorrect.	
Score: 0 Accepted Answers: (c) Non profitable	
Reduced price competition is an advantage of differentiation.	
(a) True (b) False	
No, the answer is incorrect. Score: 0 Accepted Answers:	
(a) True 10) The elements of an organisations are coordination, common goals, division of labour and Fill up the	e blank with suitable option from the
O (a) Staffing	
(b) Planning (c) Integration	
O (d) All the above. No, the answer is incorrect. Score: 0	
Accepted Answers: (c) Integration	
11) Organisational design is a process by which managers select and manage elements of structure. (a) True	
(b) False No, the answer is incorrect.	
Score: 0 Accepted Answers: (a) True	
12) Which one is not a type of organisational structure?	
(a) Functional structure (b) Catering structure	
(c) Place structure (d) Multidimensional structure.	
No, the answer is incorrect.
